Department

Description

Department color changes does not come in to affect when are being set up or being edited afterwards.

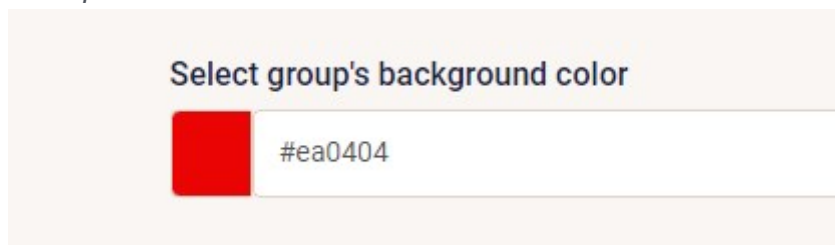

Only color that is shown in departments- Yellow

Steps:

1. Open application - <https://apps.fliplet.com/cerebrum-hub-my-directory-v-4-0-2-9928-27333/login-ifk4>
2. Log in as administrator (any)
3. Open page - Departments
4. Open department (any)
5. Press <Edit>
6. Select color scheme for department - *Select group's background color*

1. Selected color must be different from existing one (*aka not yellow*)

1. *Example:*

7. Press <Save>
8. Open edited department
